### Mast sections in numerical order

ID	Tie mast	Pull test	ID	Tie mast	Pull test
1. _____	_____	_____	11. _____	_____	_____
2. _____	_____	_____	12. _____	_____	_____
3. _____	_____	_____	13. _____	_____	_____
4. _____	_____	_____	14. _____	_____	_____
5. _____	_____	_____	15. _____	_____	_____
6. _____	_____	_____	16. _____	_____	_____
7. _____	_____	_____	17. _____	_____	_____
8. _____	_____	_____	18. _____	_____	_____
9. _____	_____	_____	19. _____	_____	_____
10. _____	_____	_____	20. _____	_____	_____

Additional Masts: \_\_\_\_\_

This is to certify that we have inspected the above Dunlop Mastclimber installation. We are satisfied and agree that:

1. It is safe and in a working condition.
2. We understand the safety features and operating mechanisms of the equipment.
3. That the ties to the building and clamps are satisfactory.
4. That the shoring (if applicable) is secure, and does not impose any abnormal load to the building.
5. All safety and limit switches are in working order.
6. That the equipment is free from defects, and that all damages and repairs necessary will be billed at prevailing shop rates plus material costs.
7. That the equipment will be returned clean and if not, we will pay Dunlop to clean the equipment.
8. Dunlop Mastclimbers L.L.C. is not responsible for any damage to the building, any injuries or accidents resulting to people or property caused from the use or misuse of this equipment.
9. We have received a copy of the operating and safety instructions and understand how to operate the equipment safely.
